REPORT

Any "Observation" included in the following narrative relate to omissions or potential deficiencies in the security system which may, if not corrected, lead to a non-compliance in the future. Observations to be sequentially numbered and with relevant clause number.

An Interim ISPS audit held in combination with Interim ISM audit and MLC inspection due to new ship on delivery while the vessel was berthing at Hyundai Heavy Ind Co., Ltd, Ulsan, S. Korea.

An opening meeting was held with the senior management of the ship and superintendent and include;

- Introduction of the auditor,
- Explanation of the scope and objective of the audit,
- A description of the audit method to be employed including detailing the sampling method and use of audit trails,
- Confirmation that resources, documentation and facilities are available,
- Confidentiality explained.,
- The safety requirements to be observed,
- Discuss and agree the plan for the verification and fill out the audit plan, including time of closing meeting,

A tour of the vessel carried out in accompany with the ship's Master and C/O, and meanwhile random selected crew were interviewed and found that all have a comprehensive understanding of the essential ISPS code requirement

Master including ship's officers attended the interview and following have been verified-;

- SSP was approved by UK flag administration on 10 December 2020 and confirmation letter sighted onboard.
- SSP is now being implemented on board and all security training and drills have been scheduled and in progress to carried out in accordance with SSP.
- All security equipments have been installed/supplied on board, as per SSP
- The SSO has received appropriate training course and meets the requirements of the code

Close meeting held with the Master, senior officers and superintendent covering audit scope/objective, audit limitations/sampling process and summary of the findings/recommendations, etc.

On satisfactory completion of the audit, an Interim ISPS certificate valid for 6 months has now been issued on behalf of flag state.
